Notes from the District 15 School Board Meeting

Special Meeting - May 14th, 2007

Spotlight on the Board is a collection of notes taken at the District 15 School Board meetings by Frank C. Whiteley PTA's newsletter editor, Jennifer Mondy. They are meant to help parents and staff who are unable to attend the Board meetings on a regular basis to keep informed about the issues and plans affecting the district. These Notes are not endorsed by District 15 or the Board of Education. Below are the highlights from the May 14th Special meeting.

Request for Proposal – Desktop Computers and Monitors

Board members debated the approval of bids received for new computers and monitors. Some members wanted to purchase computers with less memory and use the extra savings for additional computers. Others thought it was better to invest more in the initial purchase to avoid additional costs later. Motion to approve the bids as submitted by the administration was approved 5:2.
